From the Homeowners Association Board of Directors

First, I would like to thank Gene Geekie and Tammara Williams for their leadership, dedication and service as our Legal Advisor and Landscape Chair for the past two years. You both will be missed.

I will also be leaving the board and would like to thank all the Directors whom I’ve had the pleasure of serving with for the past 8 years: Bob Beyer, Steve Smith, John Lausas, Jim Dorociak, Don Boudreau, Bob Pastene, Curt Vondrasek, Tony Smith, Rob Gelb, Peter Scavetta, Rudy Paolucci, Jane Donahue, Tammara Williams, Gene Geekie, Mark Lyons and Mike DeBoer. We’ve had a couple of committee chairs that I would be remised, if I did not mention who went above and beyond: Mary Schmidt, Linda Perlstein, Kim Monovich, Jeff Algrem and Fred Langer.

We held our Annual Meeting on Tuesday, March 1st at the River Run Clubhouse to elect our new Board of Directors. Returning Directors are Jim Dorociak and Rudy Paolucci and 2 nominations up for election are incumbent Jane Donahue and Loria Danage-Scott. Immediately following the Annual Meeting, the new Board of Directors will set the 2016/2017 Calendar and post it on the website http://www.riverrunnaperville.org/ and at the River Run Clubhouse.

The board has had many accomplishments and I would like to highlight a few. Our Declaration was updated to comply with current law both State and Federal, the Rules & Regulations were completely rewritten, voted on and implemented in 2014, updated and launched a new Website http://www.riverrunnaperville.org/, help educate residents regarding the Quarry issue, worked with the City of Naperville and Park District to installed new park equipment in the River Run Park and hosted a summer Concert in the Park, hired a certified arborist and implemented a large tree health care program for our 605 trees on the berms (annually we are replacing trees as they are our biggest financial asset), installed the revocable proxy which helps us achieve quorum for the annual meetings, conducted audits and filed the River Run name to be trademarked in the State of Illinois.

There is still a lot of work that needs to be done. We encourage all homeowners to come out to the homeowners association meetings to have your voices heard and be a part of keeping our pristine neighborhood, GREAT! It has been a pleasure serving you these past 8 years.

Regards,
Kamala Martinez

Your Health and...

Healthy **OWNER... Healthy Pet**

Ur health is possibly our most valuable asset and we try to make changes and eat the things that keep us as healthy as possible. That goes for our beloved pets, too, and they must rely on us to make the best choices for them when it comes to the food they eat. I am by no means a pet nutritionist or veterinary expert, but these guidelines, along with consulting your vet, should help keep our cats and dogs healthy right along with us.

The first nutrition issue to address for cats and dogs, is that unless they are running obstacle courses or playing Frisbee for hours, our pets do not need a great deal of calories, yet many of them are over fed. If your pet has a bit of a weight problem, cut back on those portions and calories, as their bodies can’t handle extra weight any better than ours. Consult your vet for help in this area, and definitely follow the guidelines on their food for amounts. Increase their activity, too, to not only burn a few calories, but also to keep their muscles and joints healthy.

Cats are “obligate carnivores” plain and simple. Cats need at least twice the protein as humans and even dogs, and they need it from meat or fish sources, which are easily digestible. They also need about 33% of their diet from healthy fats. Their food should contain Taurine, vitamin A from organ meats, and essential fatty acids. In our vet’s advice wet food is the best for cats. They don’t drink as much water as dogs do, so they need to get more water in their food.

Dogs do not need quite as much protein as cats, but they do need a good amount of high quality protein for muscle maintenance. For their coat, skin, nose and paw pads, they need healthy fats. Some carbohydrate in the form of fruits and vegetables and some grains are okay for dogs, mainly from a fiber perspective, but they get most of their energy in the form of protein and fat.

Gluten is a hot topic for dogs, as well as humans. If your dog has some health issues, perhaps trying a gluten-free or grain-free diet may help. There are a few breeds that have well-documented gluten-intolerance: Irish Setters, Samoyeds and Soft coated Wheaten Terriers. Check with your vet on what is best for your breed.

Keep plenty of fresh water out and give them opportunities for activity. Naperville is definitely one of the friendliest dog-walking communities around, so take your pooch along for that walk. Spend time playing with dogs and cats not only for physical activity, but also for good socialization. People with pets have been shown in many studies to have lower stress levels and are healthier overall, so let’s all stay healthy together.

After Work Gardens

We can’t hardly wait until it’s planting time! Thankfully it’s March and we are almost there. Enjoying your garden can be possible any time of day, but if you are like us, sometimes you don’t make it home until the evening.

Once a favorite of Victorians, evening gardens are filled with plants that offer fragrance or color after dark. White or moonlit gardens dazzle during the day, but offer a special magic under the stars. Add a touch of white with trees, shrubs, perennials, vines, herbs, and annuals to create garden that blooms even at dusk.

Some plants, such as oenothera, nicotiana, and four o’clocks, flower only after the sun sets. Yellows, blues and silvers also stand out nicely in an evening garden. Foliage plants, such as dusty miller, lavender, stachys, blue spruce, and artemisia, feature silvery foliage that shine in the evening. You can even add some white painted garden accents, strategically placed solar lights or even just plain old candles in mason jars to brighten a corner.

Fragrance is an essential note in any garden, but especially after dark. Nicotiana or flowering tobacco is one of our heirloom favorites. The blooms will only open and release their scent after dark. Fragrant plants sited near patios and walks can fill the air as you walk past or rub their leaves. Herbs such as thyme, oregano, savory, and sage, can be easily accessible for cooking, but don’t forget to rub their leaves to release their fragrance any time. You can also add low growing thyme to bed edges or in between patio stones for a fragrant ground cover that can handle light foot traffic.

---

AFTER WORK GARDEN SUGGESTIONS

ANNUALS
Nicotiana, Cleome, Petunia, Moonflower Vine, Impatiens, Alyssum, Heliotrope, Zinnia, Four o’clocks, Cosmos, Gladiola, Stock, Dusty Miller

“Little Paws” - 4-5 Year Olds
*New this year…Little Paws is a 3-Day Mini-Camp (Wednesday-Friday) from 9:00-11:00 am that utilizes a unique “foster care” model with plush toy animals where children learn to understand and provide for a pet’s needs. Children also learn bite prevention, cat and dog behavior, spay/neuter importance, proper handling, and of course, animal time! $75 per camper.
Weeks of (6/8 – 6/10) & (7/6 – 7/8)

“Friends for Life” - 6-8 Year Olds
Friends for Life is a 5-Day Camp from 9:00 am-12:00 pm that focuses on pet care and learning about responsibility for animals. Lessons include animal communication, pet safety, and tutorials about wildlife. Daily animal time provides the perfect opportunity for campers to practice soft hands while learning safe animal interaction. $125 per camper.
* Weeks of (6/13-6/17) & (6/20-6/24)

“Animal Neighbors” - 9-11 Year Olds
Animal Neighbors is a 5-Day Camp from 9:00 am - 12:00 pm that incorporates visits from other animal organizations to educate children on the importance of compassion for all kinds of animals. Children will love learning about and meeting the different kinds of animals while learning how each organization benefits animals in their own ways. $125 per camper.
• Weeks of (6/27-7/1), (7/11-7/25), & (7/18-7/22)

“Dog’s Day Out” - 12-14 Year Olds
*New this year…Dog’s Day Out is a 5-Day Camp from 9:00 am - 1:00 pm (please bring a lunch) that gives campers a chance to, not only learn about NAHS, but also visit other animal related organizations and observe first-hand how the community cares for and rescues all kinds of creatures big and small. Campers will experience NAHS behind the scenes, learn about animal-related career from guest speakers, and go on field trips that include Kline Creek Farm, Indian Prairie Animal Hospital, and Willowbrook Wildlife Center. $200 per camper
• Weeks of (7/25-7/29) & (8/1-8/5)

The registration fee includes materials for crafts, T-shirt and a daily snack. Please have campers bring a water bottle and for the 9:00 am - 1:00 pm camps, please bring a lunch). There is a $25 cancellation fee.

MOOSE - American Pit Bull Terrier Mix- Male - 1 Y 10 M - Before you ask, no I don’t weigh 1000 pounds. In fact, I’d consider myself to be medium to large size, but I guess it depends on who you’re asking. One thing I am though is very loving. Some of my favorite activities include meeting new people and snuggling up with them once we’ve become friends. And let me tell you, it doesn’t take long for that to happen! I’m a pretty active guy who likes going for walks and playing with toys. I can get a bit rowdy when I play so children in my new home need to be at least 12 years old. I would also be happiest as an only pet, but I promise I have enough love to give that you won’t need anyone else! Oh, and one last thing, I don’t see things very well. In fact, I’m completely blind in one eye, and have very limited vision in the other. As you can probably tell, I don’t let that slow me down too much. So if you’re looking dog that’s fun, goofy, and full of life, then stop by the shelter and ask to see me!

BUGSY - Domestic Short Hair- Male - 13 Y 5 M - Just because I’m 13 doesn’t mean I’m not still a busy guy. First, I need to check out what’s happening out the window. Next, I’ll see if any closets need looking into. Finally, I’ll move on to help you while you’re working at the computer, or whatever else you might be doing. And then there are my naps -- I can’t be late for those! I always have time, however, for hanging out with you! I’m affectionate, snuggly, and gentle! I do like some toys, but I like it best when you can play with me. Having someone to care for me who’s not away from home very much is my dream. Are you that person? Visit with me, and you just might realize that you and I are meant to be.

Top "20" Re/Max Residential Real Estate Broker in Northern Illinois 2013, 2014 & 2015

Top "20" Residential Real Estate Broker in Will County 2013, 2014 & 2015

Jeff Stainer is by far the best realtor I have ever come across. I read the other gushing reviews of Jeff here on Zillow, and my wife and I feel exactly the same way. He knows the local market very well and I could not imagine a more responsive agent. He almost always answers calls, and in the very rare instances when he can't, he returns the call within the hour. Sometimes, I wonder if the man ever sleeps. He truly does work HARD to get your home sold at a good price. There were several times when my wife and I wanted to reduce our asking price, but amazingly, Jeff convinced us not to, forsaking an easier selling opportunity. He does what is best for his clients, not himself. Believe it or not, I've actually told him that he is working too hard for his clients. Along with being a great and very professional real-estate agent, he is just a nice human being. He instantly becomes a part of the family. As happy as we are to have sold our home, we are going to miss working with Jeff. You will not ever regret choosing Jeff to represent you.

_Bala and Alamu R., Naperville_

I don't think I've met a person who has worked harder than Jeff did on helping us buying our family home. We were referred to Jeff by a friend and after placing our first phone call to him, he was over at our townhouse within 24 hours for our initial meeting. Jeff treated us like old friends though we had not met him and we knew right away we were in good hands. Jeff worked around the clock for us and always responded to any phone call, email or text we had within an hour. Most often he was reaching out to us first so we were never behind in what was going on. Our purchase was not an easy one (issues not relating to realtor), but Jeff handled them with flying colors. He wouldn't take no for an answer if we came across a roadblock and did not give up until we got what we wanted. There is no question in my mind that we would not have gotten the house we did if it were not for Jeff. I cannot say enough good things about him. My spouse and I are so pleased and grateful for Jeff! His work ethic is incomparable.

_Jim and Katie C., Naperville_

Greetings from the River Run Clubhouse! So, let’s just keep our focus during this last month of dealing with Ole Man Winter. Because after the month of March, we will be moving in the right direction... Spring time.

Okay, without any further delay, let’s begin by saying that the Parent’s Night Out event on February 13 was a bunch of fun. We were able to watch the NBA All-Star Weekend Events on the big screen TV in the Lounge Room as well as viewing Gremlins and Ice Age II from the projector in the River Room. Lots of pizza, Bosco sticks and snacks to go around as well as Munchkins, fresh fruit and Pop Tarts.

The evening started off with a bang by all of the kids going for a “Midnight Swim” in our indoor pool. You would be surprised at how cool the pool looks with the new underwater LED lights with the indoor pool lights turned off. By the time you add in a little water, basketball, hide-n-seek and Nerf football, a great time was had by all.

Although the attendance was low at our Texas Hold-Em Poker Night, it was an exciting evening watching some of the most straight-faced poker faces trying to entice their fellow members to go “all in” with a pair of deuces. We had plenty of food and beverages during the event, and a fun time was had by all. We will have to schedule another Poker Night later in the year.

The Clubhouse will be closed on Sunday, March 27 for the Easter holiday. Therefore, we will be having our Easter Brunch Celebration on Saturday, March 26 from 10:00 a.m. to 2:00 p.m. We will be accepting reservations on the hour from 10:00 a.m. through 1:00 p.m.

Brunch items will include French toast sticks, hash brown patties, breakfast sausage and mixed vegetables. We will also have an assortment of pastries, sliced fresh fruit, Pop tarts and munchkins along with juice boxes, bottle water, coffee and hot chocolate. The Easter Bunny will make an appearance for our younger members to take a picture, with crafts and an egg hunt as well. The cost is only $5.00 per person. We will have a limited number of reservations for this special event as we have to end by 2:00 p.m. Please be sure to call for your reservations for this very special event.

Prime dates for upcoming special events are filling up very quickly. There have been quite a few member requests for indoor as well as outdoor function space for family events such as graduation parties, pool parties, birthday parties and family get-togethers. If you are contemplating having a special event at the Clubhouse this summer, please feel free to contact me so that I can reserve the event space and assist you in the planning of your special event.

By now, I am sure that many of our members have the River Run “Event Schedule” posted on their refrigerator with events circled or highlighted for the summer season. Just keep in mind that you can always visit our Website at www.riverrunclub.com to check the monthly calendar, aerobic class schedule as well as keeping up to date with the happenings at River Run.

Speaking of happenings, I have only received 3 responses for the cooking class event on Wednesdays starting in April. Please be sure to send me an email or let me know the next time you are in the Clubhouse.

It has come to my attention that the ladies steam room will be receiving a face-lift and we will have a champagne re-opening celebration!

Hope to see all of you very soon.

Best Regards, Mark

### Athletic Yoga – Stationary cycling designed to challenge your cardio *(sculpts your legs. Yoga designed to lengthen & stretch the muscles used in cycling.)*

### Cardio/Strength – Stationary cycling giving a great cardiovascular workout with little or no impact on the joints. Body toning using a variety of weights & or flex balls concludes with abdominal & lower back work and finished with relaxing stretch.

### Pilates - The art of controlled movements, which should look and feel like a workout (not a therapy) when properly manifested. If practiced with consistency, pilates improves flexibility, builds strength and develops control and endurance in the whole human body.

PHARAOH CATS FOR ADOPTION
Looking for a loving home for two male twin cats, Sadie and Jude. They are from Pharaohs origin. Born less than two years ago in the Sinai peninsula in Egypt. Brought into the US in April 2015. Original owner has since relocated overseas. Sadie and Jude are adorable, friendly, neutered, house broken and with no known problems whatsoever. They went through all required vaccinations and other check-ups as required by US Customs. You are welcome to view these adorable cats by calling 630-806-4755.

Valid only at:
